

## 2017 Dues & Fees

To ensure adequate funding for maintenance of field and structures and to simplify the fees, dues & assessment structure, and to reduce the risk of special assessments due to unforeseen events.

**Annual dues and lawn maintenance assessments will be combined into a single dues & fees (except for Lifetime membership category). The Annual dues and fees for open and head of family classifications, beginning in the 2015 year will be \$150 annually. Initiation fees will not be changed, and remain a standalone item at their current rates. Elected Officers who have their dues waived per the By-Laws will pay an annual fee of \$50. The dues & fees for the remaining classifications are indicated in the table below.**
